

The Clash - Lost In The Supermarket Intro

Tom: **G**

Lost in the Super Market
London Calling
Composer-Joe strummer

This song can be played a half step down, or in standard tuning. I suggest a half step because that's what I tabbed it out with. This is only the intro, so here goes. Great

to play and great little riff.

key:

/= slide down
\= slide up
h= hammer on

there it is. email me for corrections, and comments.
