

The Clash - Somebody Got Murdered

Tom: **E**

From: (Peter Palmer)

Album: Sandinista

Lyrics c/o uwp

Chords: It sounds like there are two guitars and they mix up the fingering from lower to higher. Here are the two positions where they alternate.

E Dbm A Gbm B

Intro: The song starts with a muffled barred **E** keeping beat with the snare. Then, the other guitar comes in with:

repeat

Then they get into heavy chords as follows:
(played in the higher position sounds best)

E Dbm A

E Gbm A

Verses:

E A E
Someone lights a cigarette

A E Gbm
While riding in a car

E A E
Some ol' guy takes a swig

A E Gbm
And passes back the jar

B A E
But where they were last night

A E Gbm
No-one can remember

Dbm A
Somebody got murdered

B E

Goodbye, for keeps, forever

E Dbm A
Somebody got murdered

E Gbm A
Somebody's dead forever

And you're minding your own business
Carrying spare change
You wouldn't cosh a barber
You're hungry all the same
I been very tempted
To grab it from the till
I been very hungry
But not enough to kill

Somebody got murdered
His name cannot be found
A small stain on the pavement
They'll scrub it off the ground
As the daily crown disperse
No-one says that much
Somebody got murdered
And it' left me with a touch

Somebody got murdered
Somebody's dead forever

/
Now play the intro riff above these words:
/

Sounds like murder!
Those shouts!
Are they drunk down below?

It's late, and my watch stopped
Some time ago
Sounds like murder!
Those screams!
Are they drunk down below?
