Album: Sandinista  
Lyrics c/o uwp

Chords: It sounds like there are two guitars and they mix up the fingering from lower to higher. Here are the two positions where they alternate.

Intro: The song starts with a muffled barred E keeping beat with the snare. Then, the other guitar comes in with:  
repeat

Then they get into heavy chords as follows:  
(played in the higher position sounds best)

E Dbm A

E Gbm A

Verses:

E A E  
Someone lights a cigarette

A E Gbm  
While riding in a car

E A E  
Some ol' guy takes a swig

A E Gbm  
And passes back the jar

B A E  
But where they were last night

A E Gbm  
No-one can remember

Dbm A  
Somebody got murdered

B E

Goodbye, for keeps, forever

E Dbm A  
Somebody got murdered

E Gbm A  
Somebody's dead forever

And you're minding your own business  
Carrying spare change  
You wouldn't cosh a barber  
You're hungry all the same  
I been very tempted  
To grab it from the till  
I been very hungry  
But not enough to kill

Somebody got murdered  
His name cannot be found  
A small stain on the pavement  
They'll scrub it off the ground  
As the daily crown disperse  
No-one says that much  
Somebody got murdered  
And it' left me with a touch

Somebody got murdered  
Somebody's dead forever

/  
Now play the intro riff above these words:  
/

Sounds like murder!  
Those shouts!  
Are they drunk down below?

It's late, and my watch stopped  
Some time ago  
Sounds like murder!  
Those screams!  
Are they drunk down below?
