

# The Corrs - Give me a Reason

Tom: G

Give me a reason... (Give me a reason... Give me a reason...)

(Em A Em A) x2

Em A Em  
It's not romantic here in blue

A  
Swimming, swimming in blue  
Em A Em  
You left me lonely and confused

A  
Question, questioning you  
Em A Em  
So soon goodbye you stole my heart

A  
I'm believing you  
Em A Em  
Was it a lie right from the start

A  
Answer, answer me do...

(Chorus)  
(D G C D)  
Well now my body's weak - so just give me a reason  
And my make-up's off - so just give me a reason  
And my defense's down - so just give me a reason

G  
Give me a reason  
Am Em

Give me a reason

Em A Em  
You'll never know the love I felt  
Waiting, waiting for you  
It takes a weak heart to forget  
Follow, follow it through

CHORUS

[Violin solo] Em Am Em Am x 4

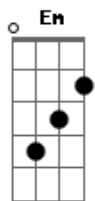

Em A Em  
So what's a girl like me to do  
Drowning, drowning in you  
And who's to save me from the blue  
Carry, carry me through

(Chorus)  
(D G C D)  
Cause now my body's weak - so just give me a reason  
And my make-up's off - so just give me a reason  
And my defense's down - so just give me a reason  
I am strong enough - so just give me a reason  
Now my body's weak - so just give me a reason  
And my make-up's off - so just give me a reason  
My defense's down - so just give me a reason  
Give me a reason  
Give me a reason

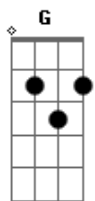

Em A  
Give me a reason X3

What did I do wrong...
