

The Corrs - Queen Of Hollywood

Tom: C

G C
She drove a long way through the night
>From an urban neighbourhood
She left her mother in a fight
For a dream misunderstood
And her friends they talk on corners
They could never comprehend
G C
But there was always something different
In the way she held a stare
And the pictures that she painted
Were of glamour and of flair
And her boyfriend though he loved her
Knew he couldn't quite fulfill
He could never meet her there

Chorus:

C D
She's never gonna be like the one before
She read it in her stars that there's something more
No matter what it takes no matter how she breaks
C
She'll be the queen of Hollywood
{Verse 3}
