```
A              E            D
  I haven't slept at all in days
A              E                Bm7
  It's been so long since we've talked
A            E          D
 And I have been here many times
A          E              Bm7
  I just don't know what I'm going wrong
```

Refrão:
```
A            E            D
  What can I do to make you love me
A          E              Bm7
  What can I do to make you care
A          E            D
  What can I say to make you feel this
A          E            Bm7
  What can I do to get you there
```
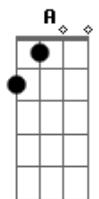

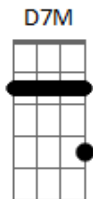

--> Aqui os 2 violões entram juntos fazendo esse riff que
segue até o fim menos no refrão
e no Love me do final

Parte 2:
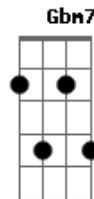

```
A              E          D
  There's only so much I can take
A          E              Bm7
  And I just got to let it go
A          E          D
  And who knows, I might feel better
A          E              Bm7
  If I don't try and I don't hope
```

Refrão

  Maybe there's nothing more to say
A          E            Bm7
  And in a funny way I'm calm
A            E          D

```
