

The Cosmic Surfer - The Key

Tom: **A**

m

Walking down a deserted road
 With a big blue vase and nowhere to go
 But don't you know that I found the key
 It was right beneath me it was old and gold
 On a deserted road with nowhere to go no...nowhere to go no

C **C** **Am**
 I don't see where this is heading
G **F**
 It just seems like it's a dream
Ab **C**
 But I know I got the key

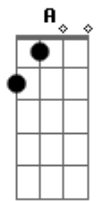

Am **Am** **Am**

Everything's cool as I'm heading down
 With my head in the clouds and my feet on the ground
 But you won't believe who it was that I met
 It was Mr. Lion my good old friend

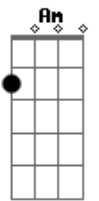

Am **Am**
 Me and Mr. Lion we spent some time
 Just looking at each other right in the eye
 Me and Mr. Lion we got so high
 Got so high until we said good-bye

C **C** **Am**
 I don't see where this is heading
G **F**
 It just seems like it's a dream
Ab **C**
 But I know I got the key
