Words:
Disappointment
You shouldn't have done
You couldn't have done
You wouldn't have done
The things you did then
And we could've been happy
What a piteous thing

A hideous thing
Was endangered by the rest
But it won't get any harder
And I hope you find your way again
And it won't get any higher
But it all boils down to what you did
Then

In the night we fight, I fled, you're right
It was exactly then, it was exactly then
I decided, decided, decided, decided
And drew you out
In the night we fight, I fled, you're right
It was exactly then, it was exactly then
I decided, decided, decided, decided

But it won't be any harder
And I hope you find your way again
And it won't get any higher
But it all boils down to what you did
Then
