I sent this tab in last Week but I forgot to mention that you Minor need to Capo the third fret to make it sound right.

"I'm Still Remembering" CD: to the faithful departed tabbed by John P. Flynn

The Sort of C part doesn't sound right but is the closest I can find. If anyone has a better chord for the 'sort of C' part I would be grateful if they would tell me. D

D Minor Sort of C

Repeated

The Rhythym is Two Down Strokes followed by two upstrokes followed by upstroke downstroke.
