

# The Cranberries - When You Are Gone

Tom: **C**  
Intro: . and Verse.

/ **C** / **Am** / **Em** / **G** /

(Versos)  
**C** **Am**  
Hold on to love  
**Em**  
That is what I do  
**G**  
Now that I've found you  
**C** **Am**  
And from above  
**Em**  
Everything's stinking  
**G**  
They're not around you  
**C**  
And in the night  
**Am**  
I could be helpless  
**Em** **G**  
I could be lonely, sleeping without you  
**C** **Am**  
And in the day, everything's complex  
**Em** **G**  
There's nothing simple when I'm not around you  
  
(Refrão)  
**C** **Am**  
But I miss you when you're gone  
**Em** **F**  
That is what I do  
  
Hey baby  
**C** **Am**

It's hard to carry on  
**Em** **F**  
That is what I knew  
  
Hey baby...  
  
(Versos)  
**C** **Am**  
Hold on to my hands  
**Em**  
I feel I'm sinking  
**G**  
Sinking without you  
**C** **Am**  
And to my mind  
**Em**  
Everything's stinking  
**G**  
Stinking without you  
**C** **Am**  
And in the night I could be helpless  
**Em** **G**  
I could be lonely, sleeping without you  
**C** **Am**  
And in the day, everything's complex  
**Em**  
There's nothing simple  
**G**  
When I'm not around you  
  
(Refrão)  
**C** **Am**  
And I miss you when you're gone  
**Em** **F**  
That is what I do  
  
Hey baby  
**C** **Am**  
And it's hard to carry on  
**Em** **F**  
That is what I do
