tom:  
Capotraste na 3ª casa  
Intro: **C** **Am** **Em** **G**  
Hold on to love that is what I do, now that I've found you  
**C** **Am** **Em** **G**  
And from above everything's stinking, they're not around you  
**C** **Am**  
And in the night I could be helpless  
**Em** **G**  
I could be lonely, sleeping without you  
**C** **Am**  
And in the day everything's complex  
**Em** **G**  
There's nothing simple when I'm not around you  
[Chorus]  
**C** **Am**  
But I miss you when you're gone  
**Em** **F**  
That is what I do, babe, babe, babe  
**C** **Am**  
And it's going to carry on  
**Em** **F**  
That is what I knew, babe, babe, baby
