Don't laugth, I want you to come over
I want you to leave just when you arive
It's not a contradiction, no
It makes sense in my mind
You've gotta give me something
Something to held my ego on
I can't just lay here to dacay here
A fish in a dry pond
How can I get stronger?
I'm weightless, I'm a kite
Tethered to some stranger
            Gm
How'll I ever reach the
Somehow, I must of left the door open
It must of been bangin' in the breeze
It must of been easy for you
To rearrange everything
What happened to my records? and why are my
Opinions in the yard?
If you don't like them you can ignore them
```

```
Like you did before
How can I get stronger?
I'm weightless, I'm a kite
Tethered to some stranger
I'll never reach the

You gotta gimme something
You gotta gimme something, uh-huh
