

The Crests - The Angels Listened In

tom:

Intro: C Am F G
C Am F G

The angels listened in, when they heard me praying

The angels listened in, when they heard me saying

"Please send me some one to love

Send the one I'm thinking of."

My darling, the angels sent you

The angels listened in, when they heard me crying

The angels listened in, there's no denying

They sent one with lovely charms

One who really thrills my arms
My darling, the angels sent you

I searched everywhere
Just to find someone who cares

They came down to interrupt
Just as I had given up

The angels listened in and brought you near me

The angels listened in, I love them dearly

They gave me the whole wide world

Wrapped up in one little girl
My darling, the angels sent you
