

# The Cult - Painted On My Heart

Tom: D

(intro) Bm Bm Abm G Gb7

Bm Bm  
I thought you'd be out of my mind  
G  
And I'd finally found a way to  
Gb7  
Learn to live without you  
Bm Bm  
I thought it was just a matter of time  
G  
'Til I had a hundred reasons  
Gb7  
Not to think about you

Abm E  
But it's just not so  
Abm  
And after all this time  
Dbm A  
I still can't let go

Bm  
I've still got your face  
Bm  
Painted on my heart  
Ab7  
Scrawled upon my soul  
G Gb7  
Etched upon my memory baby  
Bm  
I've got your kiss  
Bm  
Still burning on my lips  
Ab7  
The touch of my fingertips  
G Gb7  
Is love so deep inside of me, baby

Bm Bm  
I was trying everything that I can  
G  
To get my heart to forget you  
Gb7  
But it just can't seem to  
Abm E  
I guess it's just no use  
Abm  
In every part of me  
Dbm A  
Is still a part of you
