

The Cure - A Letter to Elise

Tom: D

Oh Elise it doesn't matter what you say
I just can't stay here every yesterday
Like keep on acting out the same the way we act out
Every way to smile, forget, and make-believe we never needed
Any more than this, any more than this
(A E Gbm D) (2x)

Oh Elise it doesn't matter what you do
I know I'll never really get inside of you
To make your eyes catch fire the way they should
The way the blue could pull me in, If they only would, if they
At least I'd lose this sense of sensing something else
That hides away

A E
From me and you there're worlds to part
With aching looks and breaking hearts
And all the prayers your hands can make
Oh I just take as much as you can throw
And then throw it all away
Oh I throw it all away
Like throwing faces at the sky
Like throwing arms round yesterday I stood and stared
Wide-eyed in front of you
And the face I saw looked back

The way I wanted to
But I just can't hold my tears away the way you do
Elise believe I never wanted this
I thought this time I'd keep all of my promises
I thought you were the girl always dreamed about
But I let the dream go, and the promises broke
And the make-believe ran out...

And every time I try to pick it up
Like falling sand
As fast as I pick it up
It runs away through my clutching hands
But there's nothing else I can really do
There's nothing else I can really do
There's nothing else
I can really do at all...
