

The Cure - Burn

Tom: **G**

"Don't look **Em** don't look" the shadows breathe
D Whispering me away from you **Am**
Em "Don't wake at night to watch her sleep
D You know that you will always lose **Am**
Em This trembling adored
D Tousled bird mad girl" **Am**

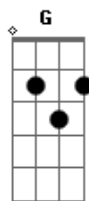

C But every night I burn **D**
 Every night I call your name **A**
C Every night I burn **D**
 Every night I fall again **A**

Em "Oh don't talk of love" the shadows purr
D Murmuring me away from you **Am**
Em "Don't talk of worlds that never were
D The end is all that's ever true **Am**
Em There's nothing you can ever say
D Nothing you can ever do" **Am**

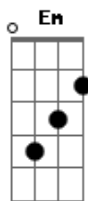

C Still every night I burn **D**
 Every night I scream your name **A**

C Every night I burn **D**
 Every night the dream's the same **A**
C Every night I burn **D**
 Waiting for my only friend **A**
C Every night I burn **D**
 Waiting for the world to end **A**
Em "Just paint your face" the shadows smile
D Slipping me away from you **Am**
Em "Oh it doesn't matter how you hide
D Find you if we're wanting to **Am**
Em So slide back down and close your eyes
D Sleep a while you must be tired" **Am**
C But every night I burn **D**
 Every night I call your name **A**
C Every night I burn **D**
 Every night I fall again **A**
C Every night I burn **D**
 Scream the animal scream **A**
C Every night I burn **D**
 Dream the crow black dream **A**
