B
I've waited hours for this

I've made myself so sick
Ab
I wish I'd stayed asleep today
B
I never thought this day would end
Ab
I never thought tonight could ever be

This close to me

B Ab F#-E

B
Just try to see in the dark

Just try to make it work
Ab
To feel the fear before you're here
B
I make the shapes come much too close

I pull my eyes out
Ab
Hold my breath
F|5-**E**
And wait until I shake...

E
But if I had your faith

Then I could make it safe and clean
E
If only I was sure

That my head on the door was a dream
