

The Cure - Close to me

```

Intro: B Abm Gb

[Primeira Parte]
I've waited hours for this
I've made myself so sick
I wish I'd stayed
 Gb
Asleep today
I never thought this day would end
I never thought tonight could ever be
This close to me
[Segunda Parte]
Just try to see in the dark
Just try to make it work
To feel the fear before you're here
I make the shapes come much too close
I pull my eyes out
Hold my breath and wait until I shake
```

Acordes

```
But if I had your faith
Then I could make it safe and clean
If only I was sure
That my head on the door was a dream
(B Abm Gb)
(B Abm Gb)
[Terceira Parte]
I've waited hours for this
I've made myself so \operatorname{sick}
I wish I'd stayed asleep today
I never thought this day would end
I never thought tonight could ever be
This close to me
[Ponte]
But if I had your face
Then I could make it safe and clean
If only I was sure that my head
On the door was a dream
```
