Am F С The first time I saw lightning strike I saw it underground Six deep feet below the street the sky came crashing down For a second that place was lost in space then everything went For a second that room was on the moon then everything went black

I left that basement burning and I never went back

The second time I saw it strike I saw it at sea It lit up all the fish like rain and rained them down on me For a second that boat was still afloat then everything went black

## Acordes

I left it underwater and I never went back

Dm
