That it couldn't be me and be her in between without you
    A
Without you

A          D          A              D
Yesterday I got so scared I shivered like a child
A          D          A              D
Yesterday away from you it froze me deep inside

Come back, come back, don't walk away
    A                  D

Come back, come back, come back to me
       Bm                        E
And I know it was wrong when I said it was true
       Bm                   E                A          D
That it couldn't be me and be her in between without you

Without you
