

The Cure - Pictures of You

Tom: **A**

you

you

you

can feel

close

snow

sky

all go

remembering you fallen into my arms, crying for the death of your heart

cold

everything

quietly

you

i've been looking so long at these pictures of

that i almost believe that they're real

i've been living so long with my pictures of

that i almost believe that the pictures are all i

remembering you standing quiet in the rain

as i ran to your heart to be near

and we kissed as the sky fell in holding you

how i always held close in your fear

remembering you, running soft through the night

you were bigger and brighter and wider than

and screamed at the make-believe screamed at the

and you finally found all your courage to let it

you were stone white so delicate lost in the

you were always so lost in the dark

remembering you how you used to be

slow drowned you were angles so much more than

oh hold for the last time then slip away

open my eyes but i never see anything

if only i'd thought of the right words

i could have held onto your heart

if only i'd thought of the right words

i wouldn't be breaking apart all my pictures of

looking so long at these pictures of you

but i never held onto your heart

looking so long for the words to be true

but always just breaking apart my pictures of

you

Bridge: **A Bm A D A D A D**

there was nothing in the world

that i ever wanted more than to feel you deep in my

heart

there was nothing in the world

that i ever wanted more that to never feel the

breaking

apart all my pictures of you
