

# The Cure - Sinking

Tom: G

**Em**  
I am slowing down  
**Em**  
As the years go by  
**Em**  
I am sinking

**Am** **C**  
So I trick myself  
**Am** **C**  
Like everybody else

The secrets I hide  
Twist me inside  
They make me weaker

**Am** **C**

So I trick myself  
**Am** **C**  
Like everybody else  
**G** **Em**  
I crouch in fear and wait  
**G** **Em**  
I'll never feel again

**D**  
If only I could  
**C**  
If only I could  
**D**  
If only I could  
**C**  
remember  
**Em**  
Anything at all

## Acordes
