

The Cure - Six Different Ways

Tom: **C**

C G Am (repeat)

C **G** **Am**
This is stranger than I thought
Six different ways inside my heart
And everyone I'll keep tonight
Six different ways go deep inside

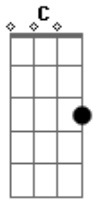

Em **F**
I'll tell them anything at all
I know I'll give them more and more

They think I'm on my hands and head
This time they're much too slow

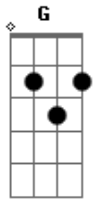

C **G** **Am**
Six sides to every lie I say
It's that American voice again
It was never quite like this before
Not one of you is the same

This is stranger than I thought
Six different ways inside my heart
And everyone I'll keep tonight
Six different ways go deep inside
