

The Cure - Subway Song

Tom: **Ab**

Part 2 :

Guitar :

The guitar appears only on two or three parts of the song and plays this :

Midnight in the subway
She's on her way home
She tries hard not to run
But she feels she's not alone
Echoes of footsteps
Follow close behind
But she dare not turn around...

Bass :

The bass plays two parts (listen to the song to find out where)

Turn around...

Part 1 :
