

The Cure - Trust

Tom: **D**
Bm **D** **G** **D**
There's no-one left in the world that I can hold onto
There is really no-one left at all, there is only you
And if you leave me now, you leave all that we were undone
There is really no-one left, you are the only one

And still the hardest part for you to put your trust in me
I love you more than I can say. Why won't you just believe?
