

# The Cure - Where The Birds Always Sing

Tom: C

The world is neither fair nor unfair  
 The idea is just a way for us to understand  
 But the world is neither fair nor unfair  
 So one survives  
 The others die  
 And you always want a reason why  
  
 But the world is neither just nor unjust  
 It's just us trying to feel that there's some sense in it  
 No, the world is neither just nor unjust  
 And though going young  
 So much undone  
 Is a tragedy for everyone  
  
 It doesn't speak a plan or any secret thing  
 No unseen sign or untold truth in anything...  
 But living on in others, in memories and dreams  
 Is not enough  
 You want everything  
 Another world where the sun always shines  
  
 And the birds always sing  
 Always sing...

The world is neither fair nor unfair  
 The idea is just a way for us to understand  
 No the world is neither fair nor unfair  
 So some survive  
 And others die

And you always want a reason why  
 But the world is neither just nor unjust  
 It's just us trying to feel that there's some sense in it  
 No, the world is neither just nor unjust  
 And though going young  
 So much undone  
 Is a tragedy for everyone  
  
 It doesn't mean there has to be a way of things  
 No special sense that hidden hands are pulling strings  
 But living on in others, in memories and dreams  
 Is not enough  
 And it never is  
 You always want so much more than this...

An endless sense of soul and an eternity of love  
 A sweet mother down below and a just father above  
 For living on in others, in memories and dreams  
 Is not enough  
 You want everything  
 Another world  
 Where the birds always sing  
 Another world  
 Where the sun always shines  
 Another world  
 Where nothing ever dies...

Essa música é bem simples de tocar. Fique atento ao acorde Bm, que deve ser feito de maneira diferente no meio da música, e à batida, que também muda em alguns momentos. Fica bem legal tocar ela em um violão de 12 cordas.
