

# The Dan Band - Total Eclipse Of The Heart

tom:

A

Turn around every now and then i get a little bit lonely  
And you're never coming round

Turn around every now and then i get a little bit tired  
Of list'ning to the sound of my tears

Turn around every now and then i get a little bit nervous  
That the best of all my years have gone by

Turn around every now and then i get a little bit terrified  
I see the fucking look in your eyes

Turn around, bright eyes every now and then i fall apart

Turn around, bright eyes a fucking every now and then i fall apart

And i need you now tonight i fuck need you more than ever

And if you'll only hold me tight we'll be holding on forever

And we'll only be making it right 'cause we'll never be wrong

Together we can take it to the end of the line

Your love is like a shadow on me all of the time

Shit!!! i don't know what to do and i'm always in the dark

We're living in a powder keg and giving off sparks

I really need you tonight, forever's gonna start tonight

A fucking never's gonna start to

Once upon a time i was falling in love but now i'm fucking falling apart

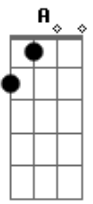

Nothing i can say, a total eclipse of the heart

Oh jesus once upon a time there was light in my life but now

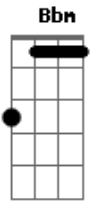

There's only love in the dark

Nothing i can say, a total eclipse of the heart
