Tom: Gb

Bbm E
I lay my body down
Bbm C7
To rest my weary head
Db E
I think I left someone there
Bbm C7
I left myself for dead

Gb Ab Bbm Fm7
So is there anybody here who can tell me where I am
Gb Ab
Or at least where I have been?
Ab Ab Bbm
Because I fear I?m lost
C7
And I cannot be found
Db F7 B
Again

(Bbm E)
(Bbm C7)

Bbm
I left my soul exposed
E
To frail hands who hold
Bbm C7
My fate up in the air
Bbm
And through their fingers fall
E
The meaning of it all
Bbm C7
Down to the floor it goes

Gb Ab Gb Ab
So is there anybody here who can tell me where I am

Db
Waking in the afternoon
Bbm
A captive in a passive tomb
C7
Moments turn to long decembers
Abm
Stoking fires from dying embers
Db
I try to move a limb

Bbm
But there's a disconnect within
C7
A devil in the alchemy
Ab
A phantom staring back at me

Gb
It's you

A pain I simply can't express
E
From troubles I have long repressed
Db
And then, there's you
