

# The Do - At Last

Tom: **A**

**F**  
At last I found what I was dreaming of  
**F**  
So bad I want to tell the whole world

**Dm**  
But I won't say no more  
**F**  
Won't make it harder on you  
**F**  
At last the love that I was dreaming of is mine  
**Dm**  
Been walking on air for the last 92 hours  
**F**  
But I won't make it harder on you girls

**Db**  
Been groping my way along the darkest of dungeons  
**B**  
Until I found out there were switches all around.  
**F**  
At last!

**F**  
At last I found I was dreaming of  
**F**  
Someone who truly understands me  
**Dm**  
A man I can trust  
**F**  
Trust with my dust  
**F**  
At last it's more than I could ever expect  
  
I can't believe it's real  
**Dm** **F**  
Now my life has a goal, a good happy home

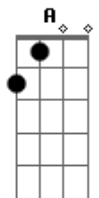

**Db**  
Made up my mind now it's time settle down  
**B**  
But don't hold this against me I gotta run now  
**F**  
At last!

**F**  
Oh girls I found what you're still craving for  
**F**  
If you accept a piece of my advice  
**Dm** **F**  
It's nothing but luck and I happened to be struck  
**F**  
Oh girls oh please don't be so childish  
**F**  
Don't want my joy to make you sick  
**Db**  
Thought I could share the fun  
**B** **F**  
But I guess I was wrong

**Db**  
Gave up my heart and my soul and my pride  
**B**  
And my job and my creeds and the ones that I love  
**Db**  
Gave up my all to a man I just met  
**B**  
But there's no time to waste cos it's almost too late...

**F** **Db7**  
At last !  
**F** **Db7**  
At last !  
**F** **Db7**  
At last !  
**F**  
At last !
