Tom: B

B Gb
I close my eyes till I see neon jungles
Abm E Gb
And suddenly everything's green around me
B Gb
I close my eyes till there's no one around
Abm E Gb
Every face that I know simply gone long, gone when

Dbm Abm Gb
Out of sight no love can last when
Dbm Abm Gb
Out of reach no pun can hold when
Dbm Abm Gb E B
Out of joy no stories can be told

B Gb
Into the lights on restraints I throw myself
Abm E Gb
Blinded and wild they will take me places
B Gb
Out in the blue wanting planets in bloom
Abm E Gb
All they're dawning and reasonable speed embrace and

Dbm Abm Gb
Out of sight no love can last when
Dbm Abm Gb
Out of reach no pun can hold when
Dbm Abm Gb E B
Out of joy that's when we're all alone

Abm B Gb E
Nature knows that pain
Abm B Gb E
Nature seeks the gain

Nature will remain

B Gb
I hear the sound of the sirens approach
Abm E Gb
Are they going to find me, arrest or save me

Abm E Gb
I hear That I know I will not deserve and

Dbm Abm Gb
Out of sight no love can last when
Dbm Abm Gb
Out of reach no pun can hold when
Dbm Abm Gb E B
