

The Doors - Moonlight Drive

Tom: **D**

G7

Let's swim to the moon
Uh huh
Let's climb thru the tide
Penetrate the evenin' that the city
sleeps to hide

D7

Let's swim out tonight, love
It's our turn to try

G7

Parked beside the ocean
On our moonlight drive

A7

Let's swim to the moon
Uh huh
Let's climb thru the tide
Surrender to the waiting worlds that
lap against our side

E7

Nothin' left open
And no time to decide

A7

We've stepped into a river
On our moonlight drive
A7 **D** **A7** **D**
Let's swim to the moon
A7 **D** **A7** **D**
Let's climb thru the tide
A7 **D** **A7**
You reach a hand to hold me
D **A7** **D** **A7** **D**
But I can't be your guide
E7
Easy to love you as I watch you glide
A7 **D** **A7**
Falling through wet forests
D **A7** **D** **A7**
On our moonlight drive
Moonlight drive
C'mon, baby, gonna take a little ride
Down, down by the ocean side
Gonna get real close
Get real tight
Baby gonna drown tonight
Goin' down, down, down
