Tom: Bb (riff principal - varia)	And your mind And your mind And your mind And your mind And your mind
F Anyway , alright.	Will you stop and think and wonder? Just what you'll see Out on the train-yard Nursing penitentiary It's gone I cry out long
And your mind	Go head, brother
I cry, alone	Did you stop to consider How it will feel, Cold grinding grizzly bear jaws Hot on your heels
And there?ll never be (riff final)	Do you often stop and whisper It's Saturday's shore The whole world's a savior, Who could ever ever ever ever, ever, ever Ask for more? Do you remember? Will you stop? Will you stop, the pain?
Gm There will never be Another one like you There will never be Another one who can Do the things you do, Oh Cm Will you give another chance? Will you try a little try? Gm Please stop and you'll remember We were together F Anyway Gm All right! Now, if you have a certain evening You could lend to me	There will never be another one Like you There will never be Another one who can Do the things you do, Oh Will you give another chance? Will you try, a little try? Please stop and you'll remember We were together Anyway All right How you must think and wonder How I must feel Out on the meadows While you're on the field I'm alone for you And I cry "He's sweatin', look at him optical promise
I'd give it all right back to you F Know how it has to be, with you I know your moods	you'll be dead and in hell before I'm born sure thingbridesmaid the only solution
Acordes	Isn't it amazing?"
