

# The Driver Era - #1 Fan

tom:

G

Well, aye, aye, aye

You're just my type

Buy anything you like

To keep you by my side

And I know

I didn't mean to let you down

And then I put my head down

Probably heard the rest 'cause it was too loud

What the hell am I to do now?

'Cause I miss the memories

You were always good to me

And your loving's oh, so sweet

You're everything I need

Well, aye, aye, aye

You're just my type

Buy anything you like

To keep you by my side And I

Just want a chance to try loving you

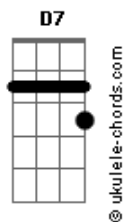

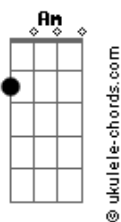

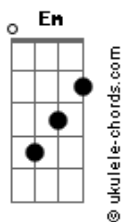

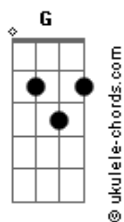

Tell me the ways that I can

Say those things that I never do

I'll be your number one fan

Your number one fan
