Intro: **Am D G Em**

It's how the story goes (it's how the story goes)

Down in Mexico (down in Mexico)

Not that long ago (not that long ago)

We were all alone (we were all alone)

And as my blood is filled with drinks (blood is filled

With drinks

I'm wondering if you could be the one spending all

My days

Now my head is filled with dreams head is filled

With dreams

But yours are only past 17 and our time is

Overstayed

Oh, no, away she goes

The way she knows

She's leaving me in afterglow

In afterglow

Oh, no, away she goes

The way she knows

She's leaving me in afterglow

In afterglow

Oh oh no

Oh yeah

Yeah, the water's cold (yeah, the water's cold)

But her body's warm (but her body's warm)

See, I told her no (see I told her no)

But she's been here before she took off her

Clothes

And as we're dancing on the beach dancing on

The beach

I'm wondering if you could be the one spending all

My days

We pretend these stupid things pretend these

Stupid things

'cause we just want to feel love and leave but our

High is bound to fade

Oh, no, away she goes

The way she knows

She's leaving me in afterglow

In afterglow

Oh, no, away she goes

The way she knows

She's leaving me in afterglow

In afterglow

Oh I think it's time I told her

These words about her

She knew from the first verse

The memories in Cabo

Away she goes

The way she knows

She's leaving me in afterglow

In afterglow

Baby, can I kick it with you (with you)

Again sometime (want to kick it with you)

Or go back to that place, me and you

We'll dance all night

With my memories you sleep (memories you sleep)

It's hard to picture your face now that I'm drifting

Out to sea

Oh, no, away she goes

The way she knows

She's leaving me in afterglow

In afterglow

Oh, no, away she goes

The way she knows

She's leaving me in afterglow

In afterglow

Oh I think it's time I told her

These words about her

She knew from the first verse

The memories in Cabo

Away she goes

The way she knows

She's leaving me in afterglow
