

The Driver Era - Take Me Away

tom:

Intro: D A D A
D A D A

Help me to get rid of this

Twisting in my side

Hit me all at once again

A painting of a sky

We're going back, it was so far, now it's over

Tears to a fire, I'm not a liar

Holdin' off, going too fast, feel the whiplash

Need another ride home

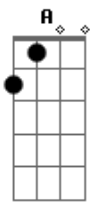

So come on, take me away, ooh

Come on, take me away, ooh

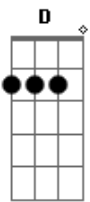

(D A D A)

Outcomes I decide

Never time to settle in

Live and I'll let die

Going back, it was so far, now it's over

Tears to a fire, I'm not a liar

Holdin' off, going too fast, feel the whiplash

Need another ride home

So come on, take me away, ooh

Come on, take me away, ooh

So come on, take me away (away, away)

(Take me away, away, away)

So come on, take me away (away, away)

(Take me away)
