

# Eagles - My Man

Tom: F

GUITAR 1 plays chords  
GUITAR 2 plays the intro tab, and some more afterwards which I haven't notated

Bb C F  
No man's got it made  
Till he's far beyond the pain  
And we who must remain  
Go on living just the same  
-----

Verse 3:

I once knew a man, very talented guy  
He's sing for the people and people would cry  
They knew that his song came from deep down inside  
You could hear it in his voice and see it in his eyes

F F7M Bb7 Gm  
F C Bb7 Gm

Now, GUITAR 1 plays these chords

Verse 1:

Tell me the truth, how do you feel?  
Like you're rollin' so fast that you're spinnin' your wheels?  
Don't feel too bad, you're not all alone  
We're all tryin' to get along

And so he traveled along, touch your heart, then be gone  
Like a flower, he bloomed till that old hickory wind called him home

Verse 2:

With ev'rybody else tryin' to go their way  
You're bound to get tripped, and what can you say?  
Just go along til they turn out the lights  
There's nothin' we can do to fight it

My man's got it made  
He's gone far beyond the pain  
And we who must remain go on living just the same  
-----

Solo over Verse Chords

Repeat Chorus

We who must remain go on laughing just the same
