TABBED by hawkhuff

Intro: & Verse: 4X

```
G-----|

E-----5-----5--0505-----|
```

Chorus: Woman don't try to love me.....
(careful with the timing here; it's different)

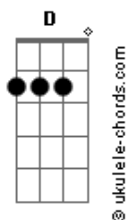

```
G-----|
D-----|
A---5--33---7533-----7-----|
E---3---3355---33-55--5-----|
```

Bridge is same as the verse
but has the improvisations.

Outro: repeat, (Jam & improvisation)

```
G-----|-----|
D-----H5/7775-----|-----H5/7777 H5/7777-|
A-----777-----757-|H5/7777 H5/7777-----|
```

Acordes

E--0555---5-----|-----|

Here are some examples of the improvisations at the ending:

```
G-----777-----|
D-----S7---97577-77755-----|
A--H5/7777-----75---|
E-----|
```

```
G-----777-----|
D-----S7---97577-7-7755-----|
A--H5/7777-----757---|
E-----5-5-----|
```

You have to work at it to get the timing for each verse,
Careful, they are slightly different each time.
Then, near the ending do some of the same type of improv
but at the upper registers.
