

# Eagles - The Girl From Yesterday

Tom: **G**  
Intro: **C Bm Am G D G D Am D7**

Verso:  
It wasn't really sad the way they said good-bye  
Or maybe it just hurt so bad she couldn't cry  
He packed his things, walked out the door and drove away  
And she became the girl from yesterday

He took a plane across the sea  
To some foreign land  
She stayed at home and tried so hard to understand  
How someone who had been so close could be so far away  
And she became the girl from yesterday

Refrão:  
She doesn't know what's right  
C G

She doesn't know what's wrong  
She only knows the pain that comes from waiting for so long  
And she doesn't count the teardrops  
That she's cried while he's away  
Because she knows deep in her heart  
That he'll be back someday

Solo:

Solo: **G G7 C Bm Am G D G E E7**

The light's on in the window; she's waiting by the phone  
Talking to a memory that's never coming home  
She dreams of his return and the things that he might say

But she'll always be the girl from yesterday  
Yeah, she'll always be the girl from yesterday.
