( = bend)

**C**  
I used to hurry a lot  
  
I used to worry a lot  
**F**  
I used to stay out till the break of day  
**C**  
Oh that didn't git it  
  
It was high time I quit it  
**F**  
I just couldn't carry on that way  
**Am**  
Oh, I did some damage, I know it's true  
**F**  
Didn't know I was so lonely till I found you  
**C**  
You can go the distance  
  
We'll find out  
**F**  
In the long run (in the long run)  
**C**  
We can handle some resistance  
  
if our love  
**F**  
is a strong one(is a strong one)  
**Am**  
People talkin' about us  
  
they got nothin' else to do

**F**  
When it all comes down  
  
we will still come through  
**C**  
In the long run  
**F**  
Ooh I want to tell you  
**C** **G** **G7**  
it's a long run  
  
You know I don't understand why you don't  
treat yourself better  
do the crazy things that you do  
'Cause all the debutantes in Houston, baby,  
couldn't hold a candle to you  
Did you do it for love?  
Did you do it for money?  
Did you do it for spite?  
Did you think you had to, honey?  
Who is gonna make it?  
We'll find out in the long run  
(in the long run)  
I know we can take it  
if our love is a strong one  
(is a strong one)  
Well, we're scared, but we ain't shakin'  
Kinda bent, but we ain't breakin'  
in the long run  
Ooh, I want to tell you, it's a long run  
in the long run

And so on for the rest of the song.  
The solo is just the intro again, plus some other stuff.  
The intro and solo are played with a slide, although it sounds  
right with some  
bends and regular slides. The rest of the song is just the  
same chords.
