Gm  
I know you want to love her, but let me tell you brother,  
She's been sleepin in the devil's bed.  
There's some rumors goin round. Someone's underground,  
She can rock you in the night until your skin turns red

Note on chicka sound

Now throughout the entire song there are "chicka" sounds made by an

electric guitar. If you listen to song you can't miss them. They are really easy, because there are only a few shapes to them.

To figure out what to play, just match the chords up.
