

Eagles - You Belong To The City

Tom: **C**

Em (each chord only requires one stroke)
 The sun goes down

the night grows in
Am
 You can feel it starting all over again.
Em
 The moon comes up and the music calls
Am
 You're gettin' tired of staring at the same four walls.
Em
 You're out of your room and down on the street
Am
 Looking through the crowd in the midnight heat.
Em
 The traffic roars and the sirens scream
Am
 You look at the faces

it's just like a dream
Am
 Nobody knows where you're going
Am
 nobody cares where you've been.
Em
 'Cause you belong to the city
C
 you belong to the night
Am
Em
 Living in a river of darkness beneath the neon light.
Em
 You were born in the city
C
 concrete under your feet
Am
 It's in your moves

Em
 it's in your blood:
Bm
 You're a man of the streets.
Em
 When you said goodbye you were on the run

Am
 Tryin' to get away from the things you've done.
Em
 Now you're back again and you're feeling strange
Am
 So much has happened and nothing has changed.
Am
 Still don't know where you're going
Am
 You're still just a face in the crowd.
Em
 You belong to the city
C
 you belong to the night
 (PIANO CHORDS)
 You can feel it - you can taste it -

You can see it - you can face it.

You can hear it - you're getting near it -

You wanna make it 'cause you can take it.
Em
 You belong to the city
C
 you belong to the night
Em
 You belong to the city
C
 you belong to the night -
Em **Am**
 You belong - you belong.
