

The Explosion - No Revolution Flash Flash Flash

Tom: C

Intro: F C G 2x

F C
When the blood was red

G
And the lies were black and white

F C G
They put their hands together

G
They thought they had it right

F C G
We know they made mistakes but we still imiate

F C G
Keep the spirit alive when there's nothing left at stake

F C G
Now our heroes seem further away

F C G
Your fists in the air but nothing has changed

F C G
Would they shakes their heads would they feel ashamed

F C G
Fists in the air for a fucking name

F C G
All we know is what came before

F C G
There's no revolution anymore

F C G
We look to the past and ask for nothing more

F C G
There's no revolution anymore

F C
On the edge of tomorrow

G
What are we fighting for

F C
We fight each other

G
Whenever we get bored.

F C G
Jaded kids hatred wins and we all lose

F C G
Schemes kill our dreams its self abuse

F C G
All we know is what came before

F C G
There's no revolution anymore

F C G
We look to the past and ask for nothing more

F C G
There's no revolution anymore

F (pausa)

(palm mute duas primeiras linhas, depois volta como na intro)

F C
Lets light a match to these dynamite dreams

G
Lets let it all go and set it all free

F C
I vote for the outcasts the losers and creeps

G
Who can bring it back again make me believe

(Solo) F C G

F C G
There's no revolution anymore

F C G
no revolution anymore

F C G
There's no revolution anymore

F C G
no revolution anymore

Final

G G G G
