

The Flash - Running Home To You (Grant Gustin)

Tom: G
Intro: G D Em

Verso 1:

Can't say how the days will unfold
Can't change what the future may hold
But, I want you in it
Every hour, every minute

Verso 2:

This world can race by far too fast
Hard to see while it's all flying past
But, it's clear now
When you're standing here now
I am meant to be wherever you are next to me

Refrão:

All I want to do
Is come running home to you
Come running home to you
And all my life I promise to
Keep running home to you
Keep running home
To you

Ponte;

And I could see it
Right from the start
Right from the start
That you would be
Be my light in the dark
Light in the dark
Oh, you gave me no other choice
But to love you

Refrão:

All I want to do
Is come running home to you
Come running home to you
And all my life I promise to
Keep running home to you
Keep running home?
Home to you
Verso 3:

Can't say how the days will unfold
Can't change what the future may hold
But, I want you in it
Every hour, every minute
