**G**  
Baby doll

**D** **Em**  
Do you believe they'll catch you when you fall?

**Am** **D** **C D**  
And when morning comes, the sun is gonna shine

**G**  
Don't forget

**D** **Em**  
Your minor keys, your half-lit cigarette

**Am** **D**  
'Cause when morning comes, God knows that you'll be mine

**C D** **G B7**  
So let me in

**Em** **D** **C**  
I'm ready to beg and to sing for my sins

**Em** **D** **C**  
Not leave it to chance, a sweet coincidence

**A7**  
Well that's just crazy

**D** **C D**  
And you know it's true

**G D** **Em**  
Well they said you was long gone

**Bm** **C**  
I just laughed and said

**G** **C** **D**  
"All right, bring her home tonight"

**G** **D** **Em**  
And I heard you was graciously put on

**Bm** **C**  
I just laughed and said

**G** **C** **D** **C D**  
"Good night, guess it's alright"

**G**  
Baby doll

**D** **Em**  
The men who hang like flowers in your hall

**Am** **D** **C D**  
Are asking when your love is gonna show

**G**  
And who knows why

**D** **Em**  
The love you need will always pass you by?

**Am**  
Well I heard it's true

**D**  
Your love is gonna grow

**C D G**  
So let me know

**B7** **Em** **D** **C**  
'Cause I can stay, or honey I can go

**Em** **D** **C**  
Just to wherever you tell me so

**A7**  
I'll find my place there

**D** **C D**  
And there I'll stay

**G D** **Em**  
Well they said you was burned out

**Bm** **C**  
I just laughed and said

**G** **C** **D**  
"Come on, she's not burnt, she's just gone"

**G** **D** **Em**  
And it took me too long 'til I found out

**Bm** **C** **G** **C** **D**  
Faces that you know the best, oh well I guess

**G** **D** **Em**  
And they laughed when you said you was leaving

**Bm** **C** **G** **C** **D**  
Everybody knows you well, except for me, can't you tell?

**G** **D** **Em**  
And you once from the wings of the late show

**Bm** **C** **G** **C** **D** **C D**  
Roses by your feet all red, for me you said

( **G D Em Am D C D** )  
Baby doll, Baby doll, Baby doll, Baby doll...
