

# The Fray - Happiness

Tom: C

C G Em  
Happiness  
C G  
is just outside my window  
C G Em  
Would it crash  
C G  
blowing 80-miles an hour?  
C G Em  
Or is happiness  
C G  
a little more like knocking  
C G Em  
On your door,  
C G  
and you just let it in?  
C G Em  
C G  
Happiness  
C G  
feels a lot like sorrow  
C G Em  
Let it be,  
C G  
you can't make it come or go  
C G Em  
But you are gone-  
C G  
not for good but for now  
C G Em  
Gone for now  
C G  
feels a lot like gone for good  
C G Em  
Happiness  
C G  
is a firecracker sitting on my headboard  
C G Em  
Happiness  
C G  
was never mine to hold  
C G Em  
Careful child,  
C G  
light the fuse and get away  
C G Em  
'Cause happiness  
C G

throws a shower of sparks  
C G Em  
C G  
C G Em  
Happiness  
C G  
damn near destroys you  
C G Em  
Breaks your faith  
C G  
to pieces on the floor  
C G Em  
So you tell yourself,  
C G  
that's probably enough for now  
C G Em  
Happiness  
C G  
has a violent roar  
C G Em  
C G Em x2  
C G Em  
Happiness  
C G  
is like the old man told me  
C G Em  
Look for it,  
C G  
but you'll never find it all  
C G Em  
But let it go,  
C G  
live your life and leave it  
C G Em  
Then one day,  
C G  
wake up and she'll be home  
C G Em  
Home,  
C G  
home,  
C G  
home  
C G
