

The Fray - Heartless

Tom: E

(chorus)

In the night I hear them talk

The coldest story ever told

Somewhere far along this road

He lost his soul

To a woman so heartless

How could you be so heartless

How could you be so heartless

How could you be so cold, as the winter wind when it breeze yo

Just remember that you talking to me though

You need to watch the way you talking to me yo

I mean after all the things that we been through

I mean after all the things we got into

And I know some things that you ain't told me

Ayo I did some things but that's the old me

And now you wanna pay me back, and you gon' show me

So you walk round like you don't me

You got them new friends, well I got homeys

But at the end its still so lonely

(chorus)

In the night I hear them talk

The coldest story ever told

Somewhere far along this road

He lost his soul

To a woman so heartless, (Uhh-uhh-uhh!)

How could you be so heartless, (Uhh-uhh-uhh!)

How could you be so heartless

How could be so Dr. Evil

You bringin' out the side of me that I dont know

I decided we weren't goin' speak so

Why we up 3 A.M. on the phone

Why does she be so mad at me fo'

Homie I dont know, she's hot and cold

I wont stop, I wont mess my groove up

Cause I already know how this thing go

You run and tell your friends that you leaving me

They say that they don't see what you see in me

You wait a couple months then you gon' see

You'll never find nobody better than me

(chorus)

In the night I hear them talk

The coldest story ever told

Somewhere far along this road

He lost his soul

To a woman so heartless, (Uhh-uhh-uhh!)

How could you be so heartless, (Uhh-uhh-uhh!)

How could you be so heartless

Talkin', talkin', talkin', talk

Baby lets just knock it off

They don't know what we been through

They don't know about me and you

So I got something new to see

And you just gon' keep hatin' me

And we just gon' be enemies

I know you can't believe

I could just leave it wrong

And you can't make it right

Im gon' take off tonight, into the night

In the night I hear them talk

The coldest story ever told

Somewhere far along this road

He lost his soul

To a woman so heartless, (Uhh-uhh-uhh!)

How could you be so heartless, (Uhh-uhh-uhh!)

How could you be so heartless
