Intro: Cm Bb Cm Eb Cm

Eb Cm Bb
I love you for so many reasons
Which means I love you for all seasons
First of all, I love you with the freshness of a spring day
Then I love you with hot passions like the summer Sun
When June's here to stay
I don't know how to explain my loves seasonal change
It seems never the same - all I know is

Eb Cm Bb
I love you for so many reasons
Which means I love you for all seasons

Eb Cm Bb
I love you with the gentleness of a falling leaf on an autumn day
But most of all, I love you with the briskness of a winter
When the snows come out to stay
I don't know how to explain my loves seasonal change
It seems never the same - all I know is

Eb Cm Bb
I love you for so many reasons
Which means I love you for all seasons
