

The Gathering - Saturnine

Tom: C

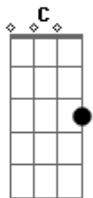

Dm F Am G

Dm F
The day you went away
You had to screw me over
I guess you didn't know
Dm F
all the stuff you left me with
It's weigh too much to handle
But I guess you don't care

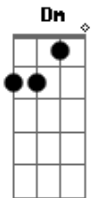

Dm
You don't need to preach
F An
you don't have to love me, all the time

Dm F
Whatever on earth possessed you
to make this bold decision
I guess you don't need me
Dm F
While whispering those words
I cried like a baby
hoping you would care
You don't need to preach
F An
you don't have to love me, all the time
Dm F Am G
You don't have to preach
