

The Great Escape - I Can't Resist

Tom: G

Hey what you got in the shop for me
 Hey silver lining just in time for tea
 Hey chaos touch me
 Seductively soothing my intensity
 Hey I'm jumping ship, not giving up
 Hey it's a country western shoot down load up
 Hey under pressure doesn't make a lesson
 So find your white gem in the dark treasure
 I can't resist
 I won't resist
 I'd knock down walls cause
 I can't
 I can't
 I can't
 I can't
 I can't resist
 I won't resist
 I'd knock down walls cause
 I can't
 I can't
 I can't
 I can't resist
 Solo do Refrão;

Hey can you lock down the expression
 Hey inside a moment's confession
 Hey two eyes one look
 Man you're an open book
 Hey all the rivers become oceans
 Hey go on and space your devotion
 Hey ditch your sorrow I won't borrow
 Give me what I want
 I can't resist
 I won't resist
 I'd knock down walls cause
 I can't
 I can't
 I can't
 I can't resist
 I won't resist
 I'd knock down walls cause
 I can't
 I can't
 I can't
 I can't resist
