

# The Growlers - Dope On a Rope

Tom: E

m

Dope in the wash, strangers in bed

Dead-end nights, make a heart beat half dead

In the mirror, striking a pose

Conjured up glamour in a school play rock show

Guess it doesn't last forever, just a feeling to remember

Dope on a rope we hang, the cat walks the plank

Unless we turn around, and do it again

Generations change In a blink the fad's extinct

Find your lover or you'll flash the fame

Before you wake up from your dream

Everything changes when

When the last call lights shine

Seizing the heartbeat of our lovely reckless times

Everything changes when

When the last call lights shine

Seizing the heartbeat of our lovely reckless times

Collect taxidermy fist as much is on your wrist

New friends flood the list till you're sick

Trying to have a ball in a tanked up stall

Numb when its from making sense of it all

I guess it doesn't last forever

Just the feeling to remember

Dope on a rope we hang, the cat walks the plank

Unless we turn around, and do it again

Dope on a rope we hang, the cat walks the plank

Unless we turn around, and do it again

Generations change, in a blink, the fad's extinct

Find your lover or you'll taste the fame

Before you wake up from your dream
